Special Master Cohen:

I write to correct the record from today's hearing. I made an inadvertent error by saying Motley Rice was not designated as special counsel in the City of Chicago's copay clawback investigation against OptumRx. After the hearing, we checked the retainer and I realized that Motley Rice was in fact designated as Special Assistant Corporation Counsel for that investigation. I apologize for my mistake, but certainly did not want to let it stand.

Sincerely,  
Linda Singer
